 Meet 4: Sunday 4 March 2018 (AIS)

The distance meets will be swum following each of the Summer Development Series Meets.

NOTE Events 53 to 56: These events appear twice in the online entry system. Firstly as the actual event with the associated qualifying time, then as the **event number followed by an A** where the swimmer is entering using the alternate distance qualifying time. For example, 54A 11 & over 400m freestyle is actually the 800m freestyle entered using the 400m qualifying time of 6:12.00. Similarly, 53A 13 & over 800m freestyle is the 1500m event entered using the 800m qualifying time of 12:12.00. Please ensure that you enter the correct event for the distance you intend to swim i.e. if you intend to swim the 800m freestyle you need to enter either event 54 or 54A.

Normal pool entry applies to swimmers and spectators.

Swimming ACT approved. Swimming NSW rules apply.
